Headway is a charity that supports people affected by a brain injury and their carers. They help people understand about brain injury, offer support, and run a free information helpline (0808 800 2244). They also produce a number of publications that explain the effects of brain injury and what can be done to help. You can obtain further information from their website at [www.headway.org.uk](http://www.headway.org.uk)

### MASS and CARS Project

A Northern Ireland Project, CARS (Citizens and Responsibility in Society) has been given very welcome support from the Motor Accident Solicitors Association in the form of a £3000 sponsorship. CARS is a course which was written and designed by Gerry Beattie (St Josephs) and Neville Martin (PSNI) as an initiative between St Josephs Boys School Derry and local services – PSNI, NI Fire and Rescue Service, Ambulance Service, DOE Road Safety Unit, NI Court Service, Probation Board for NI and the NI Prison Service. Gerry Lee who is the Northern Ireland Co-ordinator for MASS also participated in the course and said MASS were delighted to support this very worthwhile project and it was a tribute to both Neville Martin and Gerry Beattie that they had produced such a professional and comprehensive publication which would undoubtedly contribute to a greater understanding of the inherent dangers in motoring amongst young drivers.
