### Young Drivers Initiative

Gerry Lee is delighted to be associated with this initiative to help young people to understand the process of becoming a safe and legal road user. It tries to show the danger and misery caused when people misuse motor vehicles. In June this year, school children from St Josephs Boys School, Creggan received their certificates for attending the year long course under "CARS" which was launched in May 2005. The name stands for Citizenship and Responsibility in Society. The course was instigated in a partnership between St Joseph's, the Community Safety Partnership and the Emergency Services.

Pictured are Gerry Armstrong, Assistant Manager of Northern Ireland, Gerry Lee, P R Hanna Solicitors and Neville Martin, PSNI along with school boys receiving their certificates from Gerry Armstrong. Also present but not in picture was school Principal Gerry Beattie.

### Staff Training and Personal Development

Understanding the importance of keeping staff fully trained P R Hanna Solicitors have employed the services of an in-house trainer to cover a variety of topics relevant to the legal profession. Further training in computer and administration skills and all aspects of Client Care has been undertaken through the Smile Project, instigated by the Belfast Institute of Further and Higher education.

### Supporting Headway

Gerry Lee and his wife Caroline were guests at the Driver & Vehicle Licensing Northern Ireland Charity Ball held at Rosspark Hotel, Kells in support of Headway, a local charity working with people with serious head/brain injuries and providing support to their families. The Charity is trying to raise funds for a new 24 bed unit opening in Musgrave Park Hospital.
