Carnmoney Colts Sponsorship

P R Hanna Solicitors were delighted to offer Sponsorship to a community-based Under 11s Football Team – the Carnmoney Colts who now play with the P R Hanna logo proudly displayed on their chests! The team includes Conor, the son of Partner Claire Devlin. The boys and their parents were thrilled to have NI Football Legend Gerry Armstrong come along to one of their practice sessions recently.

Gerry cooks a Pukka Paella for Headway!

Gerry Armstrong replaced his football skills with culinary flair when he recently served up his signature dish of Paella at a Charity Auction Dinner for Headway, the Brain Injury Association of which he and his wife Debbie are Patrons. The Charity Event was held at No 27 Talbot Street and over 150 guests enjoyed an evening of food and entertainment and raised over £5000 for Headway.

Is the Market Improving For House Sales?

We at P R Hanna have our finger on the pulse of any activity in the Conveyancing market and have noticed an improvement in the level of house sales and purchases recently. Vendors are becoming more realistic as to price and, contrary to popular opinion, there are still good mortgage deals available to those who can afford to pay them thus assisting the level of purchase transactions. It would appear to be a great time to buy, especially for first time buyers, as bargains are about. Similarly, home movers may find that they can move to the next level of property for much less than they would have expected two years ago when the market was at its height. Our experienced team of solicitors in our Conveyancing Department, headed by Claire Devlin would be pleased to offer a competitive telephone or email quotation at any time for our legal services. You can be assured of a professional, prompt and cost effective service whether you are a first time buyer or existing home owner.

Special rates also apply for First Time Buyers and Graduates. Don't miss out!

P R Hanna Solicitors provide a professional service in a wide range of legal requirements including construction law, conveyancing, both commercial and residential along with licensing matters for the hospitality sector, together with debt recovery for the business community. The firm also offers advice regarding privacy matters and defamation and provides a full Private Client Service including Conveyancing, Wills & Probate and Family Law.
